## EXPERIENCE

### **Tutoring Refugees, Tucson, AZ — Volunteer**

AUGUST 2017 - PRESENT

I worked with local refugees in my community who needed help with their homework and I played soccer with them once a week as well. I was then part of the group that started a club at our school to tutor these refugees so they would not have to travel to get the help they needed. I am currently the Vice-President of this club.

### **Integrative Touch For Kids, Tucson, AZ — Volunteer**

JUNE 2017 - PRESENT

ITK is a non-profit organization that works with kids who have special medical needs. They work in and out of hospitals helping these children and their families by providing integrative wellness therapy like acupuncture or reiki. Volunteers buddy up with a kid and travel with them to different activities throughout the day while their parents get therapy and learn about other resources available to them.

### **FBLA Officer, Tucson, AZ — Co-Treasurer**

AUGUST 2017 - PRESENT

I was the co-Treasurer and class representative of my school's chapter of FBLA (Future Business Leaders of America). The club is focused on leadership and business, while incorporating computer science into it. I placed in several categories at the regional and state competitions.
